

QUALITY MAKES THE DIFFERENCE

SINCE 1976

PREM INDUSTRIES

AN ISO 9001:2015 CERTIFIED CO.

Manufacturers, Suppliers & Exporters (Construction Equipments)

Primary Competitive Advantages

Reliable Quality, Customer Satisfaction, Easy Market Connectivity, Sound Infrastructure, Experienced & Dynamic Team.

About Us

Prem Industries has made remarkable strides in the field of Construction Equipments. The company has attained a reckoned name as a manufacturer and exporter of a gamut of Construction Machinery as well as Block Making Machines. These products are manufactured by highly qualified Engineers and Technocrats using advanced manufacturing technology. All the machines manufactured by us are the most efficient in function and economical in use and have reached markets and industries throughout India as well as abroad.

Our Mission

The prime mission of Prem Industries is to provide innovative and world class Construction Equipments backed by competent servicing capabilities, with the motive of satisfying each and every customer beyond the expected levels of business excellence.

What Sets us Apart?

We are preferred amidst of our clients not only in India but also abroad due to following factors : Premium range of Construction Equipments. A group of well recognized industries, Highly qualified team, Competitive prices, Easy payment mode, In-time delivery.
